Clinic shares festive joy

MEDIVIRON UOA Clinic held a humble celebration to spread Christmas cheer among 20 under-privileged children from low-income homes that were registered under the MyKasih Foundation.

The young guests were treated to dance and singing performances as well as a Magic Santa show.

The clinic's owner and aesthetic physician Dr Chen Tai Ho joined hands with the invited children, aged between six and 11, in releasing 100 "You Deserve Better" balloons. "You Deserve Better" is Mediviron UOA Clinic's CSR campaign theme in conjunction with

its 12th anniversary

To pump up the mood, Celebrity Fitness took to the stage with a Zumba performance and energised the atmosphere.

Later, the music industry's newcomers, Sheena and Doreen, mesmerised guests with their own repertoire and Christmas sing-along songs that brought the guests and children into the festive mood. Magic Santa ended the event by delivering some awe-inspiring tricks that made the event truly memorable.

Dr Chen also presented medical aid vouchers worth RM120 to each child.
